TOWNS ON BRITANNIA

# YOUR GREENPRINT FOR A SUSTAINABLE FUTURE

NATIONAL IS COMMITTED TO DOING OUR PART TO HELP MAKE THE WORLD A BETTER PLACE. THAT'S WHY WE INCORPORATE SO MANY GREEN FEATURES AND PRACTICES IN THE BUILDING OF OUR HOMES. FROM ENVIRONMENTALLY-FRIENDLY MATERIALS, TO BRIGHT IDEAS THAT CAN REDUCE ENERGY CONSUMPTION, YOU CAN FEEL GOOD KNOWING THAT CHOOSING NATIONAL IS PART OF THE SOLUTION.

Quartz countertops preserve natural resources as a man-made material

## SOME SUSTAINABLE FEATURES THAT ARE AVAILABLE AT WHITEHORN WOODS:

- **Programmable** thermostats
- **Hardwood floors** that comply with standards to ensure minimum environmental impact, with low-VOC finishes
- **Quartz countertops**, which preserve natural resources through their nature as a man-made resource—a good substitute for natural stone
- **Drain water heat recovery pipes** – a double-walled heat exchanger that captures the heat from your shower wastewater, reducing your water heating costs
- **Low-flow** bathroom faucets
- **HRV** (Heat Recovery Ventilator)
- **Low-flow** shower heads
- **Low-VOC** paints

**PANERGY**  
WALL SOLUTIONS

## INTERESTED IN SAVING UP TO 15% ON YOUR ENERGY BILLS? WE HAVE THE SOLUTION!

National offers a breakthrough alternative to inefficient old school construction with revolutionary Panergy Wall Systems that reduce CO2 emissions by three times and cut your energy costs by up to 15%! This pre-fabricated building envelope delivers superior fire, acoustical and thermal performance; better moisture protection with improved durability, increased energy efficiency, less construction waste plus easier and faster build times.

A select few townhomes at Whitehorn Woods will be constructed using Panergy Wall Solutions.

To learn more, review the [Panergy Brochure](#).
